MANAGEMENT COMMISSION

partners in wastewater management

You're Invited!
Poplar Tree Harvesting Workshop
10 am to 3 pm on Thursday, June 13, 2019
MWMC Biocycle Farm
29689 Awbrey Lane, Eugene, Oregon 97402

Who Should Attend:

Loggers, wood product processors, forestry services, landscaping services, arborists, stump removers, herbicide treatment applicators, agricultural operators, farmers, millers, wood chip and saw log buyers, biomass innovators, sustainability interests, growers, hardwood users and manufacturers, and anyone interested in the Biocycle Farm!

Guest Speakers:

- Todd Miller, City of Springfield/MWMC
- Rick Stonex, GreenWood Resources
- Jeff Parker, Northwest Youth Corps
- Michael Roemen, 9Wood
- Scott Leavengood, OSU & Oregon Wood Innovation Center
- John Essner, Lane Forest Products

See and Learn:

- Poplar growing practices
- Poplar harvesting techniques
- Poplar use and product potential

Agenda:

- Introduction to the MWMC's Biocycle Farm
- 3-year-old poplar maintenance
- 1-year-old poplar establishment
- Product displays and market discussion
- 10-year-old poplar harvest preparation
- Poplar processing demonstration

Special Opportunities!

- Poplar start cutting demo and giveaway
- Hands-on planting demo
- Saw log production demo and giveaway
- Finished poplar product displays
